

The 7th Grade Poetry Foundation

I, _____, give THE 7TH GRADE POETRY FOUNDATION, a Missouri non-profit organization (the "Foundation") permission to photograph and/or take videos of me ("Me/I/My") and/or My child, identified below, and any other child that may accompany Me to a Foundation event that may be identified below (collectively "My Child"), in connection with our participation in the Foundation's 7th grade poetry contest (the "Contest").

In exchange for the \$25 (twenty-five dollars) paid to My Child for participation in the Contest, I permit the Foundation to photograph and take videos of Me and/or My Child ("Photos and/or Videos"), for use by or for the Foundation, such uses including but not limited to promotional material at www.7gp.org and videos posted on YouTube.com, SchoolTube.com, TeacherTube.com, and the Foundation's social media pages. I permit the Foundation to use the Photos and/or Videos in connection with My or My Child's name. I agree that the Foundation owns all Photos and/or Videos.

My Child will retain ownership of the Poem (as defined below) and be free to use the Poem as he or she wishes, but I agree that the Foundation is free to publish, make formatting changes to, and use excerpts from My Child's poem, or any other creative works associated with the Contest (collectively, the "Poem"), without owing any royalties or other payments for such use to Me, My Child(ren), or any other person or entity.

I release the Foundation and its affiliates from any claims in connection with the Foundation's use of Photos and/or Videos and the Poem.

I am authorized to sign this agreement. Acceptance of this release by the Foundation does not guarantee the Photos and/or Videos or the Poem will be published or used by the Foundation.

I have read and accept the terms above. I agree to execute any and all documents required to confirm the statements in this release.
